

AGENCY PARTNERSHIPS 2016

We thrive on building relationships with marketing agencies that are seeking to partner with a creative studio that offers professional digital media services that cater to their operating budget. Our in-house, experienced professionals have the talent to produce and manage projects as required, maintaining high quality design and web productions always on time.

Our in-house professionals specialize in:

DESIGN

- Graphic design services
- Print document packages
- Large-sized prints
- Flyers and brochures

WEB

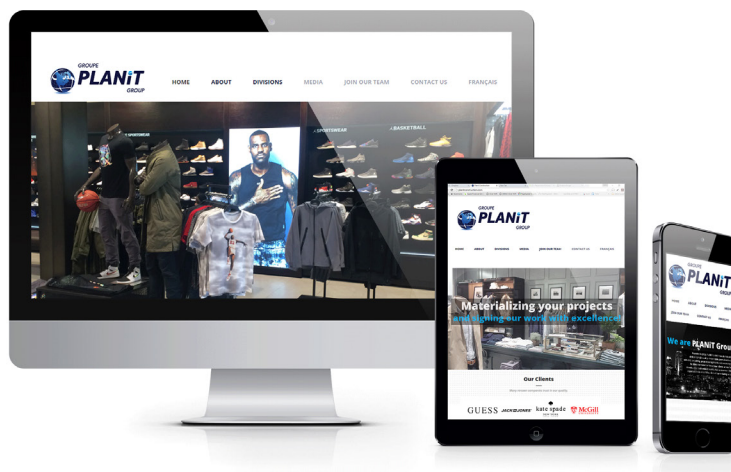

- Landing pages
- E-Commerce development
- Maintenance, support and updates
- Hosting services

MARKETING

- Google business pages
- Search Engine Optimization (SEO)
- Online advertising management
- Social media management
- Marketing campaign management

Our expanding professional network and associates:

- Translators
- Photographers
- Government grant specialists
- Large and small size printers
- Business development consultants
- Custom and App developers
